Aberdour Cancellation

Thursday 19th March 2020

I have decided that the current coronavirus situation means that it would be inappropriate to continue with the outing to Aberdour this May.

Having discussed the cancellation with Aberdour, they are disappointed at the decision, but fully understand the reason since our party consists in the main of elderly “gentlemen” a lot of whom have underlying health problems.

This decision was made after a great deal of soul-searching and I am disappointed, as I expect you are, that we will miss this outing for the first time. I have assured Aberdour that, all being well, we will return in 2021 ready to enjoy their course once again.

Regarding the Dunblane outing in August I remain hopeful that the crisis will have eased to the extent that it can be completed but there are no guarantees. We can only keep our fingers crossed and hope.

I will keep you updated with any developments as and when they occur.

Graham McDerment
