## COVID-19 UPDATE

Following the Government announcement last night, and subsequent guidance from Scottish Golf, the course, clubhouse and Pro Shop are now closed.

It was with a heavy heart that this decision was made but the safety of us all is the most important issue at the moment.

Please follow the Government guidance to keep safe during these extremely difficult times and I will keep in touch with you as the situation develops.

### COURSE CLOSURE GENERAL MESSAGE

I can understand members being frustrated at the closure of the course and why they have interpreted last night's message from the Prime Minister and the Scottish First Minister as allowing them to exercise on the course.

However, the guidance from both Scottish Golf and England Golf is very clear and as you may not have seen these the following links will take you to their messages.

[England Golf 23rd March 2020](#)

It was by following this guidance that the decision was made to close our courses.

The closure will be kept under review and as soon as it is safe to do so the courses will re-open. Other implications of the closure will be reviewed in due course.
