

# What You Need To Know

Hilton Park Golf Club creates a friendly relaxed environment however we do ask our members and visitors alike to respect the course, facilities and other players. In this regard we have put together a basic fact sheet which is also available in a printable format.

## Facilities

We have full changing and showering facilities at the club and lockers are available for storing personal items however please note the club cannot take any responsibility for the security of any personal items left unattended.

## Dress Code

Our clubhouse favours a relaxed atmosphere, where the dress code is smart but casual. Smart denims are permitted in the clubhouse (avoiding ripped jeans or cut off denims) however we request that football colours, rugby tops, shell suits and track suits are not worn and that all headgear is removed prior to entering the bar, lounge or dining room areas. We do not request collar and tie in any of our dining areas.

On the course, golf attire is requested including appropriate golf shoes. Please use the facilities provided to clean both shoes and trolleys before returning to the car park or entering the clubhouse.

## Mobile Phones

The use of mobile phones on the golf course is frowned upon, if you do have to take your mobile on the course please ensure it is either switched off or on silent. We would appreciate your consideration for others and request that you do not use your mobile on the course or in the lounge areas of the clubhouse.

## Course Etiquette

No player should play until the players in front are out of range. However, players are requested to play without delay. Two-ball matches should have precedence over any three-ball or four-ball matches, which should invite them through.

- Trolleys and carts should be kept clear of the greens and tee areas.
